

## **Bureau of Water and Wastewater Division Chief II – Construction Management**

### **Job Summary**

Baltimore City Department of Public Works (Maryland) currently seeks qualified candidates for the position of Division Chief II to plan, direct and coordinate the construction, maintenance and repair of the water distribution, wastewater collection, storm water drainage and conduit systems. The qualified candidate will also be responsible for directing the Division's fiscal management activities including operating and capital budget preparation and expenditure authorization for personnel and inventory.

### **Job Requirements**

A bachelor's degree in engineering or a related field and five years of experience in the construction, maintenance and repair of a water distribution system, wastewater collection system, storm drainage and conduit system, including 3-5 years supervisory and project management experience. A valid Maryland Class C Noncommercial driver's license or an equivalent out-of-state driver's license acceptable to the Office of Risk Management is required.

Six months of additional experience in managing a water distribution system, wastewater collection and storm drainage system maintenance and repair program may be substituted for each year of the college or university requirement. Non-supervisory experience or education may not be substituted for the required supervisory experience.

### **Compensation**

Baltimore City Department of Public Works offers a competitive benefits package. Salary commensurate with education and experience.

### **How to Apply**

The Bureau of Water and Wastewater will be accepting applications beginning February 22, 2010 and will remain open until filled. Qualified candidates should submit a statement of interest and resume, specifically addressing their education and experience relevant to this position to:
